Paul H – Al-Anon Speaker, Saturday , February 24th,

"After crashing my second marriage and trying to raise a 3-year old in 1984 I was entirely willing to accept that trying to control other people in order to make myself feel safer was not working. My Higher Power had one of my newly-recovering 12 step members suggest that I try Al-Anon. Gratefully I've been trying it ever since."

Paul H. – Salem Oregon
